

## The 25 counties with the highest median household income

The northeast corridor dominates the list of most affluent counties, which includes six counties in the New York metro and five in the Washington, DC metro. Note that in a list dominated by large metros, Los Alamos, NM, with only 8,000 households, ranks as the fifth most affluent county in the nation.

Rank	County	MSA	Median Household Income
1	Douglas, CO	Denver-Aurora, CO	95,358
